

# DAC Task Force: Strategic Plan

Update to Digital Arizona Council  
Michele Norin (Group Facilitator)  
May 2012

# Activity to Date

- Task Force membership now 26, was 18
- Hired a planning consultant – Data Site Consortium, Inc. (DSCI)
- Intense work on the recommendations and action items
  - Working with other DAC task groups
  - Gathering feedback from external groups and individuals
  - Still considering how and when to engage the full Council
- Started constructing the full plan
  - Table of Contents
  - Filling in with known data points and verbiage

# **Arizona Strategic Plan for Digital Capacity - Table of Contents**

May 2012

# Next Steps

- Continue refinement of the recommendations and action items
- Continue building out the full plan
- Will define a plan for gathering more input from a broader audience, such as local councils of government
